1.1 BUSSINESS ARRISING FROM THOSE MINUTES

- QLD CUP PREP
 - Present a once off overall winners cup. Recipient can keep it. General thought was to price it around \$200
 - DSO – Jason Smith (shirt ordered for Jason)
 - Chief Scrutineer – Wayne Gilby (Shirt ordered for Wayne)
 - Trophies have been paid for and ordered
 - QSC Hi Vis Vests for our officials have been finished, thanks to Brock
 - Entries will open up in the next week or two, waiting for confirmation from QR

- Waiting for confirmation from QR on garages. At this stage it looks like they can get us 14 garages, but split across two sheds. This is not ideal, but it think given that we are the probably the smallest support class there it's hard to fight for anything more.
- QR have said there is potential for a social event in the corporate room on Saturday afternoon/night (racing is going till 10pm), waiting for confirmation.
- Engine seals have not been purchased yet.
- Andrew's engine builder Trevor has a lot of information and pictures on the history of the club. Andrew to get in contact and try to get some content.
- Darryl Bertram has a list of the founding members of the club, trying to get this from Darryl so we can invite the surviving members to the cup.
- Jason Smith has made up scrutineering hold labels for Parc ferme

- Motorfest
 - Good feedback from those who went.
 - Tim has been contacted via facebook from someone who saw us and will come to the Morgan Park meeting
 - Brock has also been in contact with someone.
 - We need to create a register for contacts that we come across at display's. may need a privacy statement

- V8 supercars display
 - Jamo's karts are volunteered.
 - Still need to confirm space and a few things from event organiser

- Morgan Park
 - A discussion was had about whether we hold a handicap race. Concerns were raised about the pit exit and the safety of entering the track when other karts are coming through turn 1 at full speed. A vote was held and majority voted not to have a handicap race.
 - Need a DSO, Craig Philp can potentially do a day. Still need to work on getting someone else as well.
 - MA licence expiry extensions were obtained for those members who purchased MA licences especially for the Morgan Park meeting that we didn't end up being part of.

- Open track session at Morgan Park
 - only 6 or 7 members responded but there sounds like there's a few people lined up for a try and buy type thing. We will get a Facebook add going to promote as try and buy.
 - Doug to talk to Jonno at Morgan Park next week and discuss further

2 CORRESPONDENCE IN

- VSKC newsletter
- X Le Membership
-

3 CORRESPONDENCE OUT

- June Minutes
- VSKC newsletter

4 TRESURERS REPORT

Roger read - all in favour

5 GENERAL BUSSINESS

- X Le Membership - all in favour
- Supercheap auto development fund
- We have been successful in obtaining a grant for \$500 to go towards safety equipment. Paul Prineas has got a quote from Olbis for some 2 way radios with headsets for \$1287. Members voted all in favour we would purchase these radios and pay the difference. Paul mentioned he will try his best to get the amount on the quote reduced.

- Club scales
 - As we use the scales at QR or MP we don't really need to keep the scales the club owns.
 - A discussion was had as to whether we should sell the club scales. We may be able to get up to \$2000 for them.
 - Tim Weier motioned that we try and sell scales, Russell second, all in favour.
- Pull up banners
 - New pull up banners have arrived
- SEK enduro was fun for the members who participated – good to network with SEK and may get members through this connection in future.
- Ewan might have some contacts for 2026 sponsorship
